ABOUT

THE FUTURE OF THE CIVIC COMPLEX, TUNBRIDGE WELLS

M&N Communications, the company appointed by the Tunbridge Wells Regeneration Company, would like to invite you to an event to discuss the future of the civic complex in Tunbridge Wells Town Centre.

As you may be aware, there has been a lot of discussion recently about the future of the civic complex in Royal Tunbridge Wells. The Council has asked the Tunbridge Wells Regeneration Company to look at opportunities to deliver a wide range of new facilities in the heart of the town centre which could enhance its overall attraction now and safeguard its long term future.

Many different considerations, perspectives and viewpoints need to be taken into account as part of the process. With this in mind, M&N Communications has been appointed to undertake consultation from November to February. M&N will present the background on the consultation at this evening event and will be looking for a discussion on the aspirations of local business owners for the town centre and for the civic complex in particular.

If you would like to attend this event, please register by emailing M.Harper@mncommunications.co.uk by THURS 13 JAN 5PM.

Light refreshments will be provided.
