

RED 8 EVENT

FRIDAY 18 FEBRUARY 2011
RAISING MONEY FOR HOSPICE IN THE WEALD

Join us for a spectacular black-tie dinner at The Spa Hotel in Tunbridge Wells to raise money for Hospice in the Weald.

A varied programme of entertainment is promised, including celebrity guests, a professional MC, and the glamour of the Red Arrows, in the shape of display pilot Red 8.

We will also be joined by raconteur, wit and former cricket commentator, Henry, 'Blowers' Blofeld who will entertain us with uproarious stories from the commentary box and life.

The evening will include an auction with some stunning items.

- 'Once in a lifetime', 'money can't buy' experiences
- A holiday at the breathtaking 7-star Emirates Palace Hotel, Abu Dhabi
- Authentic signed memorabilia from the world of sport, music and film

There will also be a silent auction to further boost funds raised at the event.

Tables of ten or twelve are available at £60 a ticket.

This is an excellent opportunity to entertain clients, reward staff or simply enjoy a fabulous night out with family and friends.

With only 20 tables available, we encourage you to make your booking early.
