

# CYBER SECURITY ESSENTIALS COMPLIMENTARY BREAKFAST

## SPONSORED BY ASTEC COMPUTING (UK) LTD

DATE: THURSDAY 4TH APRIL AT 7.30am

VENUE: MERCURE TUNBRIDGE WELLS HOTEL,  
8 Tonbridge Road, Pembury, Tunbridge Wells, TN2 4QL

Join West Kent Chamber of Commerce for a Cyber Security event delivered by the [Eastern Region Special Operations Unit](#) - a must for any business that wants to understand the threats posed by cyber-crime today.

Cybercrime is an ever increasing threat within the UK. The cost of cybercrime is estimated to be costing the UK economy billions of pounds every year. Cyber criminals have identified that SMEs are a highly lucrative target, due to the limited investment and resources available for cyber security compared to corporations and multi-nationals. Ensure your company understands the threat posed by cybercrime, and learn about the necessary steps required to protect your business.

The presentation will follow a period of networking and will cover the following:-

- CEO fraud
- Personal and corporate security
- Identity theft with regards to your online footprint and digital dirt
- Latest trends, threats and vulnerabilities
- Cyber frauds and scams
- Phishing, smishing and Vishing
- Advice on cyber security issues and raising awareness with staff
- Latest password management
- Social engineering tactics
- Reducing the insider threat
- Public Wi-Fi demo

The Eastern Region Special Operations Unit (ERSOU) is the name for the Eastern Region Regional Organised Crime Unit (ROCU). Established in 2010 to deliver an increased response to tackling the threat of organised crime, they are 1 of the 9 police cybercrime units across the United Kingdom supporting the National Cyber Security Centre. One of their priorities is to raise awareness of cyber security issues within organisations like yours.
